## CONGRESSIONAL RECORD — HOUSE

October 1

aid authorization bill to conference. I did that for the simple purpose—and without apology—of assuring debate that would direct attention to the Members of the House to this shameful situation, and to point out as a result of the Senate substitute for the so-called Dirksen amendment relating to legislative apportionment we have now in this bill a provision which underwrites the June 15 Supreme Court decisions and underwrites the authority of the courts to suspend elections.

I think it is time to stop that kind of legislating and go home.

## THE NEW HAVEN RAILROAD

(Mr. REID of New York asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. REID of New York. Mr. Speaker, along with my colleague, the gentleman from Connecticut [Mr. SISAL], I would call to your attention and to the attention of the Members of the House the deteriorating situation facing the New Haven Railroad. Should this railroad fail, many businesses in New York, Westchester, and throughout New England would be seriously affected. It is essential that the vital commuter services be maintained. In my judgment, this is a matter of concern that should engage the attention of Members of this House, of the regulatory agencies involved, and of the State and county governments of both New York and Connecticut. It is important that the railroad problem in the Northeast be recognized and that both short- and long-term solutions be worked out specifically and promptly in the public interest.

Time is running out on the New Haven, and there is need for prompt and appropriate action at both the State and Federal levels to insure its continuance.

## ELMER LEVY

Mr. ASHMORE. Mr. Speaker, I ask unanimous consent to take from the Speaker's desk the bill (H.R. 9976) for the relief of Elmer Levy, with a Senate amendment thereto, and concur in the Senate amendment.

The Clerk read the title of the bill.

The Clerk read the Senate amendment, as follows:

Page 2, line 7, strike out "20" and insert "10".

The SPEAKER. Is there objection to the request of the gentleman from South Carolina?

There was no objection.

The Senate amendment was concurred in.

A motion to reconsider was laid on the table.

(H.R. 8427) to provide for the establishment and maintenance of a Central Intelligence Agency retirement and disability system for a limited number of employees, and for other purposes, with a Senate amendment thereto, and concur in the Senate amendment.

age basic salary for the highest five consecutive years of service, for which full contributions have been made to the fund, multiplied by the number of years, not exceeding thirty-five, of service credit obtained in accordance with the provisions of sections 251 and 252. In determining the aggregate period of service upon which the annuity is to be based, the fractional part of a month, if any, shall not be counted.

"(b) At the time of retirement, any married participant may elect to receive a reduced annuity and to provide for an annuity payable to his wife or her husband, commencing on the date following such participant's death and terminating upon the death or remarriage of such surviving wife or husband. The annuity payable to the surviving wife or husband after such participant's death shall be 55 per centum of the amount of the participant's annuity computed as prescribed in paragraph (a) of this section, up to the full amount of such annuity specified by him as the base for the survivor benefits. The annuity of the participant making such election shall be reduced by 2½ per centum of any amount up to \$3,600 he specified as the base for the survivor benefit plus 10 per centum of any amount over \$3,600 so specified.

"(c) (1) If an annuitant dies and is survived by a wife or husband and by a child or children, in addition to the annuity payable to the surviving wife or husband, there shall be paid to or on behalf of each child an annuity equal to the smallest of: (i) 40 per centum of the annuitant's average basic salary, as determined under paragraph (a) of this section, divided by the number of children; (ii) \$600; or (iii) \$1,800 divided by the number of children.

"(2) If an annuitant dies and is not survived by a wife or husband but by a child or children, each surviving child shall be paid an annuity equal to the smallest of: (i) 50 per centum of the annuitant's average basic salary, as determined under paragraph (a) of this section, divided by the number of children; (ii) \$720; or (iii) \$2,160 divided by the number of children.

"(d) If a surviving wife or husband dies or the annuity of a child is terminated, the annuities of any remaining children shall be recomputed and paid as though such wife, husband, or child had not survived the participant.

"(e) The annuity payable to a child under paragraph (c) or (d) of this section shall begin on the day after the participant dies, and such annuity or any right thereto shall terminate on the last day of the month before (1) his attaining age eighteen unless incapable of self-support, (2) his becoming capable of self-support after age eighteen, (3) his marriage, or (4) his death, except that the annuity of a child who is a student as described in section 204(b)(3) of this Act shall terminate on the last day of the month before (1) his marriage, (2) his death, (3) his ceasing to be such a student, or (4) his attaining age twenty-one.

"(f) Any unmarried participant retiring under the provisions of this Act and found by the Director to be in good health may, at the time of retirement elect a reduced annuity, in lieu of the annuity as hereinbefore provided, and designate in writing a person having an insurable interest (as that term is used in section 5(h) of the Civil Service Retirement Act (5 U.S.C. 2259(h))) in the participant to receive an annuity after the participant's death. The annuity payable to the participant making such election shall be reduced by 10 per centum of an annuity computed as provided in paragraph (a) of this section, and by 5 per centum of an annuity so computed for each full five years the person designated is younger than the participant, but such total reduction shall not exceed 40 per centum. The annuity of a survivor designated under this paragraph shall be 55 per centum of the reduced an-

nuitant computed as prescribed above. The annuity payable to a beneficiary under the provisions of this paragraph shall begin on the first day of the next month after the participant dies. Upon the death of the surviving beneficiary all payments shall cease and no further annuity payments authorized under this paragraph shall be due or payable.

**"Part D—Benefits accruing to certain participants**

**"Retirement for Disability or Incapacity—Medical Examination—Recovery**

"Sec. 231. (a) Any participant who has five years of service credit toward retirement under the system, excluding military or naval service that is credited in accordance with provisions of section 251 or 252(a)(2), and who becomes totally disabled or incapacitated for useful and efficient service by reason of disease, illness, or injury not due to vicious habits, intemperance, or willful misconduct on his part, shall, upon his own application or upon order of the Director, be retired on an annuity computed as prescribed in section 221. If the disabled or incapacitated participant is under sixty and has less than twenty years of service credit toward his retirement under the system at the time he is retired, his annuity shall be computed on the assumption that he has had twenty years of service, but the additional service credit that may accrue to a participant under this provision shall in no case exceed the difference between his age at the time of retirement and age sixty, but this provision shall not increase the annuity of any survivor.

"(b) In each case, the participant shall be given a medical examination by one or more duly qualified physicians or surgeons designated by the Director to conduct examinations, and disability shall be determined by the Director on the basis of the advice of such physicians or surgeons. Unless the disability is permanent, like examinations shall be made annually until the annuitant has reached the statutory mandatory retirement age for his grade as provided in section 235. If the Director determines on the basis of the advice of one or more duly qualified physicians or surgeons conducting such examinations that an annuitant has recovered to the extent that he can return to duty, the annuitant may apply for reinstatement or reappointment in the Agency within one year from the date his recovery is determined. Upon application the Director may reinstate any such recovered disability annuitant in the grade in which he was serving at time of retirement, or the Director may, taking into consideration the age, qualifications, and experience of such annuitant, and the present grade of his contemporaries in the Agency, appoint him to a grade higher than the one in which he was serving prior to retirement. Payment of the annuity shall continue until a date six months after the date of the examination showing recovery or until the date of reinstatement or reappointment in the Agency, whichever is earlier. Fees for examinations under this provision, together with reasonable traveling and other expenses incurred in order to submit to examination, shall be paid out of the fund. If the annuitant fails to submit to examination as required under this section, payment of the annuity shall be suspended until continuance of the disability is satisfactorily established.

"(c) If a recovered disability annuitant whose annuity is discontinued is for any reason not reinstated or reappointed in the Agency, he shall be considered to have been separated within the meaning of paragraphs (a) and (b) of section 234 as of the date he was retired for disability and he shall, if he is not entitled to the benefits of that section or of section 241(a) except that he

may elect voluntary retirement in accordance with the provisions of section 233 if he can qualify under its provisions.

"(d) No participant shall be entitled to receive an annuity under this Act and compensation for injury or disability to himself under the Federal Employees' Compensation Act of September 7, 1916, as amended (5 U.S.C. 781 et seq.), covering the same period of time. This provision shall not bar the right of any claimant to the greater benefit conferred by either Act for any part of the same period of time. Neither this provision nor any provision of the said Act of September 7, 1916, as amended, shall be so construed as to deny the right of any participant to receive an annuity under this Act by reason of his own services and to receive concurrently any payment under such Act of September 7, 1916, as amended, by reason of the death of any other person.

"(e) Notwithstanding any provision of law to the contrary, the right of any person entitled to an annuity under this Act shall not be affected because such person has received an award of compensation in a lump sum under section 14 of the Federal Employees' Compensation Act of September 7, 1916, as amended (5 U.S.C. 764), except that where such annuity is payable on account of the same disability for which compensation under such section has been paid, so much of such compensation as has been paid for any period extended beyond the date such annuity becomes effective, as determined by the Secretary of Labor, shall be refunded to the Department of Labor, to be paid into the Federal employees' compensation fund. Before such person shall receive such annuity he shall (1) refund to the Department of Labor the amount representing such computed payments for such extended period, or (2) authorize the deduction of such amount from the annuity payable to him under this Act, which amount shall be transmitted to such Department for reimbursement to such fund. Deductions from such annuity may be made from accrued and accruing payments, or may be prorated against and paid from accruing payments in such manner as the Secretary of Labor shall determine, whenever he finds that the financial circumstances of the annuitant are such as to warrant such deferred refunding.

**"Death in Service**

"Sec. 232. (a) In case a participant dies and no claim for annuity is payable under the provisions of this Act, his contributions to the fund, with interest at the rates prescribed in sections 241(a) and 251(a), shall be paid in the order of precedence shown in section 241(b).

"(b) If a participant, who has at least five years of service credit toward retirement under the system, excluding military or naval service that is credited in accordance with the provisions of section 251 or 252(a)(2), dies before separation or retirement from the Agency and is survived by a widow or a dependent widower, as defined in section 204, such widow or dependent widower shall be entitled to an annuity equal to 55 per centum of the annuity computed in accordance with the provisions of section 221(a). The annuity of such widow or dependent widower shall commence on the date following death of the participant and shall terminate upon death or remarriage of the widow or dependent widower, or upon the dependent widower's becoming capable of self-support.

"(c) If a participant who has at least five years of service credit toward retirement under the system, excluding military or naval service that is credited in accordance with the provisions of section 251 or 252(a)(2), dies before separation or retirement from the Agency and is survived by a wife or a husband and a child or children, each surviving child shall be entitled to an an-

Upon the death of the surviving wife or husband or termination of the annuity of a child, the annuities of any remaining children shall be recomputed and paid as though such wife or husband or child had not survived the participant.

"(d) If a participant who has at least five years of service credit toward retirement under the system, excluding military or naval service that is credited in accordance with the provisions of section 251 or 252 (a)(2), dies before separation or retirement from the Agency and is not survived by a wife or husband, but by a child or children, each surviving child shall be entitled to an annuity computed in accordance with the provisions of section 221(e)(2). The child's annuity shall begin and terminate in accordance with the provisions of section 221(e). Upon termination of the annuity of a child, the annuities of any remaining children shall be recomputed and paid as though that child had never been entitled to the benefit.

**"Voluntary Retirement**

"Sec. 233. Any participant in the system who is at least fifty years of age and has rendered twenty years of service may on his own application and with the consent of the Director be retired from the Agency and receive benefits in accordance with the provisions of section 221 provided he has not less than ten years of service with the Agency of which at least five shall have been qualifying service.

**"Discontinued Service Benefits**

(a) Any participant who separates from the Agency after having performed not less than five years of service with the Agency, may, upon separation from the Agency or at any time prior to becoming eligible for an annuity, elect to have his contributions to the fund returned to him in accordance with the provisions of section 241, or (except in cases where the Director determines that separation was based in whole or in part on the ground of disloyalty to the United States) to leave his contributions in the fund and receive an annuity, computed as prescribed in section 221, commencing at the age of sixty-two years.

"(b) If a participant who has qualified in accordance with the provisions of paragraph (a) of this section to receive a deferred annuity commencing at the age of sixty-two dies before reaching the age of sixty-two his contributions to the fund, with interest, shall be paid in accordance with the provisions of sections 241 and 281.

**"Mandatory Retirement**

"Sec. 235. (a) The Director may in his discretion place in a retired status any participant who has completed at least twenty-five years of service, or who is at least fifty years of age and has completed at least twenty years of service, provided such participant has not less than ten years of service with the Agency of which at least five shall have been qualifying service. If so retired, such participant shall receive retirement benefits in accordance with the provisions of section 221.

"(b) Any participant in the system receiving compensation at the rate of grade GS-18 or above shall be automatically separated from the Agency upon reaching the age of sixty-five. Any participant in the system receiving compensation at a rate less than grade GS-18 shall be automatically separated from the Agency upon reaching the age of sixty. Such separation shall be effective on the last day of the month in which a participant reaches the age of sixty-five, as specified in this section, but whenever the Director shall determine it to

be in the public interest, he may extend such participant's service for a period not to exceed five years. A participant separated under the provisions of this section who has completed five years of Agency service shall receive retirement benefits in accordance with the provisions of section 221 of this Act.

**"Limitation on Number of Retirements**

"Sec. 236. The number of participants retiring on an annuity pursuant to sections 233, 234, and 235 of this Act shall not exceed a total of four hundred during the period ending on June 30, 1969, nor a total of four hundred during the period beginning on July 1, 1969, and ending on June 30, 1974.

For the purpose of this Act, the period of service of a participant shall be computed from the date he becomes a participant under the provisions of this Act, but all periods of separation from the Agency and so much of any leaves of absence without pay as may exceed six months in the aggregate in any calendar year shall be excluded, except leaves of absence while receiving benefits under the Federal Employees' Compensation Act of September 7, 1916, as amended, or while performing active and honorable military or naval

service in the Army, Navy, Air Force, Marine Corps, or Coast Guard of the United States.

**"Prior Service Credit**

Mr. BOLLING. Mr. Speaker, I ask unanimous consent for the immediate consideration of the bill (S. 3174) to amend section 5 of the Employment Act of 1946.

The Clerk read the title of the bill.

The SPEAKER. Is there objection to the request of the gentleman from Missouri?

There was no objection.

The Clerk read the bill, as follows:

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 5(e) of the Employment Act of 1946, as amended (15 U.S.C. 1024; 60 Stat. 23, Public Law 804, Seventy-ninth Congress) is amended to read as follows:*

#### MODIFYING RETIREMENT BENEFITS OF DISTRICT OF COLUMBIA JUDGES

Mr. McMILLAN. Mr. Speaker, I ask unanimous consent for the immediate consideration of the concurrent resolution, House Concurrent Resolution 370.

The Clerk read the concurrent resolution as follows:

*Resolved by the House of Representatives (the Senate concurring), That the Clerk of the House of Representatives in the enrollment of the bill (H.R. 5871) to amend section 11 of the Act of April 1, 1942, in order to modify the retirement benefits of the judges of the District of Columbia Court of General Sessions, the District of Columbia Court of Appeals, and the Juvenile Court of the District of Columbia, and for other purposes, is authorized and directed—*

*(1) to strike out all after the enacting clause down through and including "Sec. 11, (a) (1) Any judge" and insert in lieu thereof the following:*

*That section 11-1701 of the District of Columbia Code is amended to read as follows:*

*"§ 11-1701. Retirement, resignation, and nonreappointment of judges; recall*

*"(a) (1) Any judge"*

*(2) to strike out in the title of the bill "amend section 11 of the Act of April 1, 1942, in order to".*

Mr. McMILLAN. Mr. Speaker, the purpose of this concurrent resolution is to direct the Clerk of the House to make a technical amendment in enrolling the bill H.R. 5871:

To amend section 11 of the act of April 1, 1942, in order to modify the retirement benefits of the judges of the District of Columbia Court of General Sessions, the District of Columbia Court of Appeals, and the Juvenile Court of the District of Columbia, and for other purposes.

Two days ago, the House concurred in the Senate amendments to H.R. 5871, but a technical error remains therein and should be corrected before the bill goes to the President.

Briefly, H.R. 5871 passed the House originally on October 14, 1963, and was sent to the other body. Subsequently, namely, on December 23, 1963, Public Law 88-241 was approved which recodified certain sections of the District of Columbia code, including the section pertaining to the retirement of judges, which H.R. 5871 amends.

Properly thereafter, the other body, when considering H.R. 5871, should have amended the same to refer to the codified section, and that is what the resolution now directs the Clerk of the House to correct.

The concurrent resolution involves no change whatever in substance.

The SPEAKER. Is there objection to the request of the gentleman from South Carolina?

There was no objection.

The concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

#### MAKING IN ORDER CONFERENCE ON H.R. 11380, TO AMEND FURTHER THE FOREIGN ASSISTANCE ACT OF 1961.

Mr. SMITH of Virginia. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 895 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

*Resolved, That immediately upon the adoption of this resolution the bill (H.R. 11380) to amend further the Foreign Assistance Act of 1961, as amended, and for other purposes, with the Senate amendments thereto, be, and the same hereby is, taken from the Speaker's table, to the end that the Senate amendments be, and the same are hereby, disagreed to and that the conference requested by the Senate on the disagreeing votes of the two Houses be, and the same is hereby agreed to.*

Mr. SMITH of Virginia. Mr. Speaker, I yield 30 minutes to the gentleman from Ohio (Mr. Brown), and pending that I yield myself such time as I may consume.

Mr. Speaker, this is a rather important proposition which I am submitting to the

sent to the House today. This is a rule to send to conference the foreign aid bill. There are two provisions in it which are quite controversial. One is a Senate amendment with respect to the civil service status of employees of the foreign aid agency. The other is the so-called Dirksen amendment, which was adopted in the other body, which I shall discuss in a few minutes.

Let me say that I understood there would be a motion to instruct the conferees with respect to the first item which I have mentioned. We had before the Rules Committee yesterday the chairman of the Committee on Foreign Affairs, who gave us very definite assurances that the House conferees would not agree to that in conference, and that if it were insisted upon by the Senate conferees the House conferees would bring the matter back to the House so that the House could have a vote and either reaffirms or not reaffirms previous action on this matter. I believe it was rejected by the House when the bill was passed.

I hope this meets with the approval of the gentleman who is going to offer the motion to instruct. It would seem to me that would accomplish the object which the gentleman desires to accomplish, of giving the House the opportunity to vote upon the matter. We have a very positive understanding with the chairman of the Committee on Foreign Affairs that that will be done and that the House will be given the opportunity to vote if the conferees cannot strike it out in the conference.

Mr. JOHANSEN. Mr. Speaker, will the gentleman yield?

Mr. SMITH of Virginia. I yield to the gentleman from Michigan.

Mr. JOHANSEN. I wish to comment that I appreciate the assurance the gentleman makes with respect to the substitute for the Dirksen amendment and that it conforms to my understanding and meets the purpose I had in objecting yesterday.

Mr. SMITH of Virginia. The other matter is the Dirksen amendment. We have had our debates about that in the House, on the so-called Tuck bill. The House has expressed itself by a very substantial majority in favor of the Tuck bill, which would do something about the reapportionment decision of the Supreme Court.

The Dirksen amendment, let me say to you, in my judgment and in the judgment of all of those to whom I have talked, has certainly no binding effect. If it had any binding effect, the tail end of the sentence which gives it its effect would repeal that. However, I am chiefly concerned about the Dirksen amendment because of the concluding paragraph, which is paragraph (b) and which is found on page 27 of the amended foreign aid bill as it comes back to the House. Now, the House has expressed itself very firmly I think on its refusal to recognize the constitutional power of the Supreme Court to enact legislation. Everybody knows that no such thing was contemplated by our Constitution or by attached thereto. If
